About the Aviva Community Fund

Building stronger, more resilient communities across the UK: that’s what we’re striving towards at Aviva, and it’s how we want to continue to help small charities and community causes.

We’ve learnt the causes that make the biggest impact are those that are given the opportunity to test innovative ideas and explore new sustainable strategies without fear of risk. That’s why the Aviva Community Fund backs the clever ideas that move communities forward and provides even more causes with vital support and resources.

Every three months, £250,000 will be shared among our UK employees to donate to the projects that matter to them most. Each charity can apply for funding of up to a maximum of £50,000.

Got an idea that will move your community forward? We’ve got your back.

Is your project eligible?

We know your time is precious and we’d hate for you to be disappointed by putting forward a project that doesn’t fall within our eligibility criteria.

So, before submitting an idea, please take a careful look through this eligibility checklist. If there are any points you require further clarification around, please read our FAQs or contact us at communityfund@aviva.com

We want to support forward-thinking causes that are helping push communities forward, so your submitted project must align with one of our purposes and be raising funds in one of the key funding areas. All beneficiaries of your project must be in the UK.
